12/ The file was submitted to the Rev Secy personally as a doubt was felt as regards the grant to be paid during the current year on account of this Road. The road in question is one of the 8 roads for which a lump sum grant of Rs 50,000 has been sanctd and a portion of the grant has therefore to be met out of the provision of the current year's budget. The Secy was pleased to direct that the draft may be revised so as to make the grant now sanctd payable in two equal instalments in 1918-19 and 1919-20.
